

# ARAB HEALTH 2022 IN DUBAI

**On the road again!**

**We have been affected by corona in the last years too.**

**We have used the time to improve our products in the areas laboratory and hospitals and optimize them in a resource-friendly way.**

**After this longer period, we will be presenting our furniture for the first time at the fair ARAB Health from 24 to 27 January.**

**Stay healthy!**

**We hope to see you there!**
